

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 507 - HB 687

March 18, 2017

SUMMARY OF BILL: Prohibits allocation of state sales tax revenue to a municipality unless the municipality has submitted a valid signed oath, signed by the mayor and chief law enforcement officer, stating the intent to use all necessary efforts to assist the United States in the enforcement of all criminal and immigration laws.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – A significant, unquantifiable, decrease in local revenue and an equivalent increase in state revenue, or a delay in allocation of such revenue from the state to the local government, if any municipality refuses to sign the required oath or is found in violation of a signed oath.

Assumptions:

- Pursuant to Tenn. Code Ann. § 67-6-103(a)(3)(A), local governments receive 4.603 percent of state sales tax revenue as state-shared sales tax revenue.
- Pursuant to Tenn. Code Ann. § 67-6-103(p), no portion of revenue derived from the 0.5 percent sales tax rate increase, from 5.5 percent to 6.0 percent (effective April 1, 1992), or the 1.0 percent sales tax rate increase, from 6.0 percent to 7.0 percent (effective July 15, 2002), shall be distributed to local government.
- It is estimated that approximately \$314,000,000 will be allocated to municipalities each year, beginning in FY17-18, pursuant to the state-shared allocation.
- Prohibiting allocation of such revenue to any municipality if that municipality refuses to sign an oath stating the intent to use all necessary efforts to assist in the enforcement of all criminal and immigration laws, or if the municipality is found in violation of a signed oath, could result in a decrease in local revenue and an equivalent increase in state revenue, if the municipality continuously remains non-compliant with the requirements of this legislation, or in a delay of transfer of such money from the state to the local government, if the municipality reaches compliance with the proposed requirements.
- Due to multiple unknown factors, such as the number of municipalities whose funding would be withheld due to their violation of the requirements, the amount of state funding that such municipalities would receive under current law, and the timing of any such violation that would result in withheld funds, the precise fiscal impact cannot be determined with reasonable certainty.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
